Sir, (4)

With reference to Government order No 1432-9/LB 52-09-1 dated 20th August 1909 calling for Statements of income and expenditure of the Local Unions in the District during the past three years, and enquiring whether the revenue derived from unions is wholly appropriated for their purposes, I have the honor to state that Budget estimates for these unions are so framed that the whole of the income derived is appropriated solely for the benefit of the unions concerned. A Statement of income and expenditure for the past three years is herewith submitted.

2. The question of introducing any alterations in the rules for the purpose of improving the union administration was discussed by the District Board which met on the 15th December 1909, and

and they were of opinion that the revenue derived from house-tax was not sufficient to meet the expenditure required for Sanitary improvements and that Shop-tax should be levied in addition to the house tax. The Board accordingly propose that Rule 132 clause (f) may be amended by adding the words "and shops" after the word "houses" in the first line and that a corresponding addition be made to Section 20 of the Regulation. A copy of the Board's resolution is herewith submitted.

3. Some of the unions were municipalities formerly and Shop tax was being levied in them in addition to the house tax. The abolition of the Shop-tax under the Local Boards Regulation after they were converted into unions tended to diminish the revenue, so much so, that in the case of some unions, the revenue derived from house-tax which is the chief source of income is quite insufficient to meet the lighting and conservancy charges. For instance, the estimated income for the next year of the Nagar union, which was

17

was formerly a non-regulation municipality, is so small that it cannot defray the conservancy and lighting charges and the District Board which met on the 12th and 13th Instant found it necessary to cut short the expenditure and so the services of one sweeper had to be dispensed with for the next year, and no provision could be made for works although the union badly needed many Sanitary improvements.

4 In these circumstances, I think it is but fair to make the shop-keepers and traders in unions pay something more in addition to the house tax, for a man who keeps a shop in one portion of a house, and resides in another portion pays only one tax (house tax), and although he shares more in the advantages of the union, he does not contribute a pie more than his neighbour who does not keep a shop

I therefore concur with the District Board in their opinion and beg to request

request that the alterations suggested by the Board may be ordered to be adopted.

I have the honor to be,
Sir,
Your most obedient Servant
Edmund Rose
Vice President

1 Read Government order No 1632-9 LB 52-09-1, dated the 10th August 1909 requesting the Presidents of the District Boards to suggest, in consultation with the Boards any addition to or alteration in clause (1) of para 132 of the Local Board Regulation enjoining certain [illegible].

shall be wholly appropriated for the purpose of the union.

Resolution:- The Board observe that the revenue which is at present derived from the tax on houses in unions, is not sufficient for the expenditure required for the sanitary improvements therein. The maximum rate of house tax in unions being Rs 5/- ~~Several houses which used to pay a higher rate before are now paying only Rs 5/-~~, several houses which used to pay a higher rate before are now paying only Rs 5/-. The income from this source is, therefore, considerably smaller than what it was formerly. They accordingly propose that the shop tax which used to be levied before they were constituted into unions be now revived. In this view, the Board propose that Section 132, Rule (f) be amended by adding the words "and shops" after the word "houses" in the first line and that a corresponding addition be made to Section 20 of the Regulation.

Sir

With reference to Government Proceedings No. 1432-9/L.B. 52-09-1 dated the 10th August 1909, calling for a statement of the past three years, showing receipts and expenditure in the Unions and requesting suggestions, in consultation with the District Board, as to any additions or alterations in the rule which they consider necessary for the improvement of the Union administration, I have the honor to state that in this Office letter No. 227/S dated 24th October 1909, the statement showing the income and expenditure in the several Unions in the District was submitted to Government.

2. After obtaining the opinion of the Taluk Boards and the Union Panchayet on this subject, the matter was placed before the District Board, at the meeting held on the 21st and 22nd February 1910. The Board on hearing the views of the Taluk Boards and considering the small income derived from the existing sources, as also taking into account the the various items of necessary expenditure, passed a resolution to the effect that with a view to improve the income of Unions, which is most necessary, shop-tax should be levied. It was further resolved that with the same object

in

in view, the Government be moved to order the credit of cart tax and oil mill taxes to Union funds instead of to General Revenues under " Revenue Mohatarfa". Copy of the resolution is enclosed for reference.

Sir,

Adverting to Government Proceedings No. 1432-9/L.B. 52-09-1 dated 10th August 1909 calling for certain information in regard to the unions, I have the honor to submit herewith a statement showing the receipts and expenditure of the unions as called for therein and to state that under the present conditions it has not been possible to apply the whole of the revenue derived from unions to their own purposes; for, as will be seen from the Budget, the revenue of the unions, instead of being kept distinct, ~~has been~~ was being merged in the District Funds and consequently it became difficult to account separately for the funds of the unions. If, as in the case of Municipalities, the funds of each union was kept distinct, there would be facility to regulate the expenditure of the unions in accordance with their revenue. This year the income expenditure and balance of each union is shown separately in the Budget.

As matters ~~stood~~ stand at present, the income of several unions do not admit of sufficient balance being reserved for works, and the District Board are, therefore, of opinion that the tax on carts and the sale proceeds of sites as well as Amarayi which are at present credited to the " general revenues" should be made over to unions. These consessions may be granted in the interests of

To

Sir,

With reference to Government order No.1432/L.B.52-09-1 dated 10th August 1909, re the appropriation of the receipts of a Union for expenditure, I have the honor to state as follows:-

The items of receipts and expenditure in the several Unions of this District during the past 3 years are shown in the statement already sent with this office letter No.222 of 28th May 1910. It will be seen from the statement that the receipts of some of the Unions which were minor Municipalities prior to their conversion into Unions, were almost fully spent on petty Sanitary works during the past three years. The expenditure of the Yelehanka Union exceeded its income by about Rs.1,800/- due to the maintenance of a Local Fund Dispensary at that place. The next item of expenditure is conservancy for which reasonable amounts were spent in all the Unions, excepting a few where conservancy establishments were not entertained owing to the objection of the inhabitants against the formation of the Unions. Expenditure on account of cattle pound and lighting charges was also incurred.

2. Thus it will be seen that the income derived from some of the Unions was almost wholly spent for the improvement of the Unions themselves. Clause "f" of para 132 of the rules under the Local Boards Regulation as amended by Government order No.688-97/L.B.195-06-11 dated 22nd July 1908, requires no further addition or

alteration

alteration as observed by the District Board, a copy of whose resolution is herewith submitted.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner &

President.
